PRESS RELEASE

9th April 2025

Marshchapel Arts attracts over Fifty Five artists to its annual exhibition this year.

Once again the annual arts exhibition at St. Mary's Church, Marshchapel has drawn in a large number of excellent exhibitors for the event which is being held over the late May Bank Holiday. Each year the group look to refresh the offering to visitors and this years collection looks to be one of the best, with over 55 artists confirmed already.

Chairman of Marshchapel Arts, Edward Mossop, said "We are extremely pleased with the artists who have been selected and the quality of the work they bring to the exhibition. There will be something for everyone to see, appreciate and buy if they wish to." This year that process will be made all the easier as there will be the ability to pay on line by card for everything. Admission fee of £3.00, art, food and drink will all be available by card payment. For the first time this year the children from Marshchapel School are getting involved. Some of them will be attending the preview evening to draw inspiration from the work on display and vote for their favourite piece of art.

Since last years event the new bell frame and an additional three bells have been installed in St. Mary's Church. The money raised from the exhibitions has helped to fund this fantastic project. The bells were blessed by the Bishop of Lincoln at a service in the Church in March.

"We are all looking forward to welcoming visitors to the exhibition which is becoming one of the 'must see' events on the art calendar in Lincolnshire." added Mr Mossop. All information about the event is on the website

<https://www.marshchapel.org/marshchapel-arts/> (which includes a virtual tour of last years exhibition) and the Facebook Page if you search for Marshchapel Arts.

The exhibition runs from Friday the 23rd to the Monday 26th May 2025, doors open from 10 a.m to 5 p.m each day, except Bank Holiday Monday when the exhibition will close at 4 p.m to allow art to be collected by both buyers and artists.
